

UNITED STATES DISTRICT COURT
DISTRICT OF NEW HAMPSHIRE

United States

v.

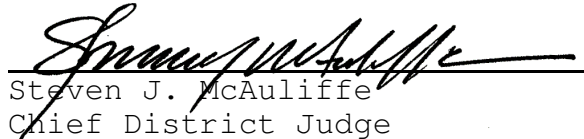

05-cr-22-01-SM

Marie Colokathis

ORDER

Re: Document No. 48, Assented to Motion to Reduce
Restitution

Ruling: Denied, without prejudice to refiling, if appropriate. The sentence imposed the lawful obligation to pay the restitution ordered. To the extent that obligation is met in the future, or has been met previously, defendant will satisfy, or she will have already satisfied, her obligation to make the required restitution. The sentence ordinarily is not "reduced" to the extent a defendant either serves the imposed period of incarceration or to the extent ordered restitution is paid. Certainly defendant is entitled to credit toward her restitution obligation when she makes (or to the extent she has in the past) payments. That seems to be a different matter, unrelated to a reduction in the amount ordered to be paid as restitution.
